

# Rewards and Achievement at Esher High

## *Awarding achievement points and monitoring student achievement*

With register on screen right click on the student receiving the achievement point. The below will appear:

The screenshot shows the SIMS .net interface for Esher Church of England High School. The 'Take Register' window is open, displaying a list of students and their attendance records. A right-click context menu is visible over the student 'Clapperton, Chloe', showing options like 'Add Achievement', 'Good Effort', 'Good Progress', and 'Growth Mindset (6R)'. The 'Links' panel on the right lists various functions like Photo, Behaviour, Achievement, Report Card, etc.

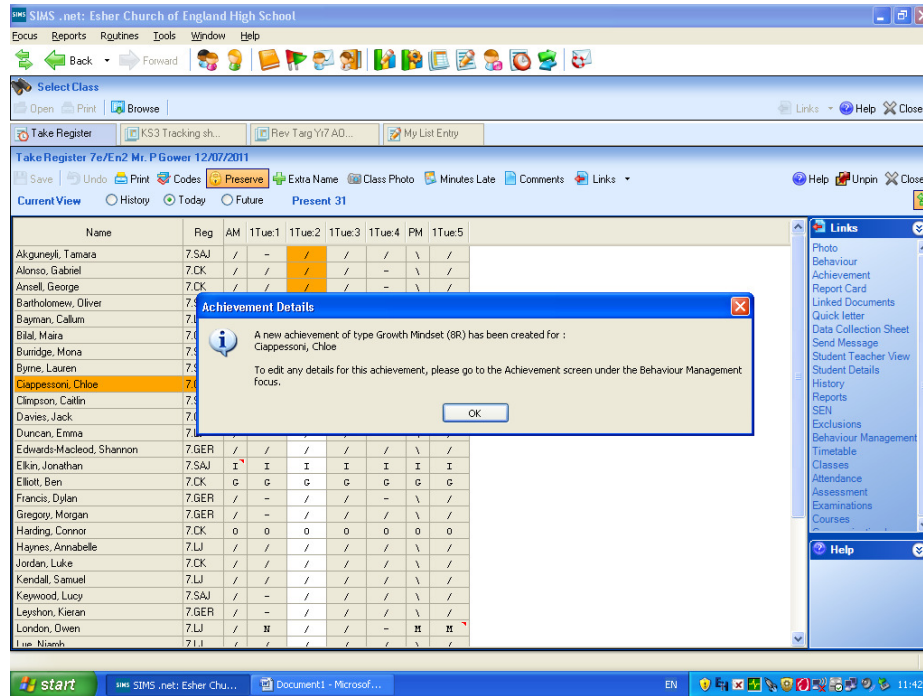

Name	Reg	AM	1Tue:1	1Tue:2	1Tue:3	1Tue:4	PM	1Tue:5

Click on one of the options. This automatically adds an achievement point for the student.

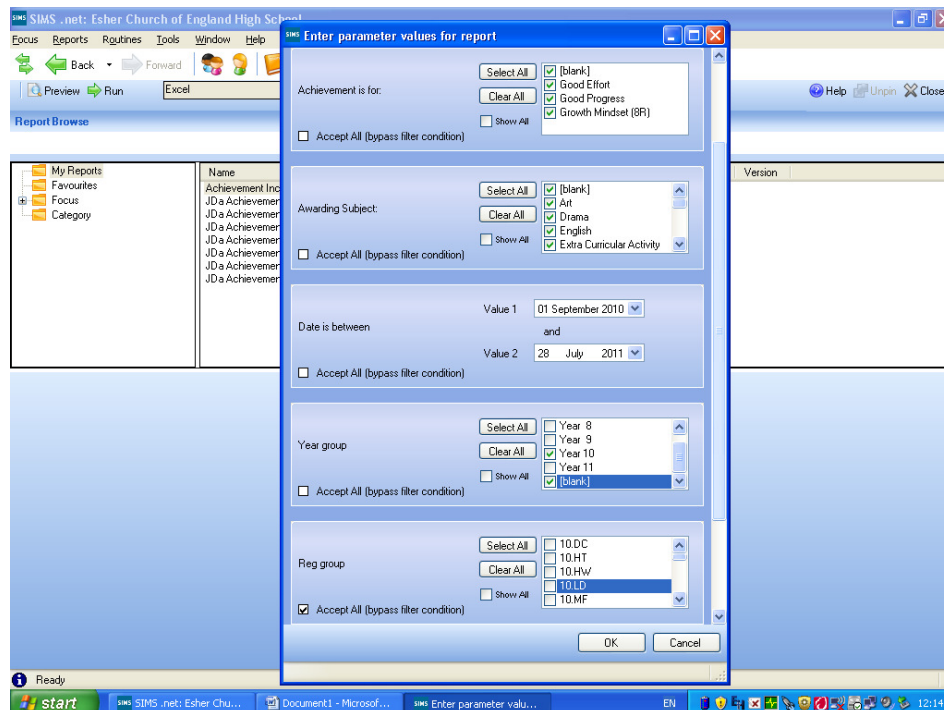

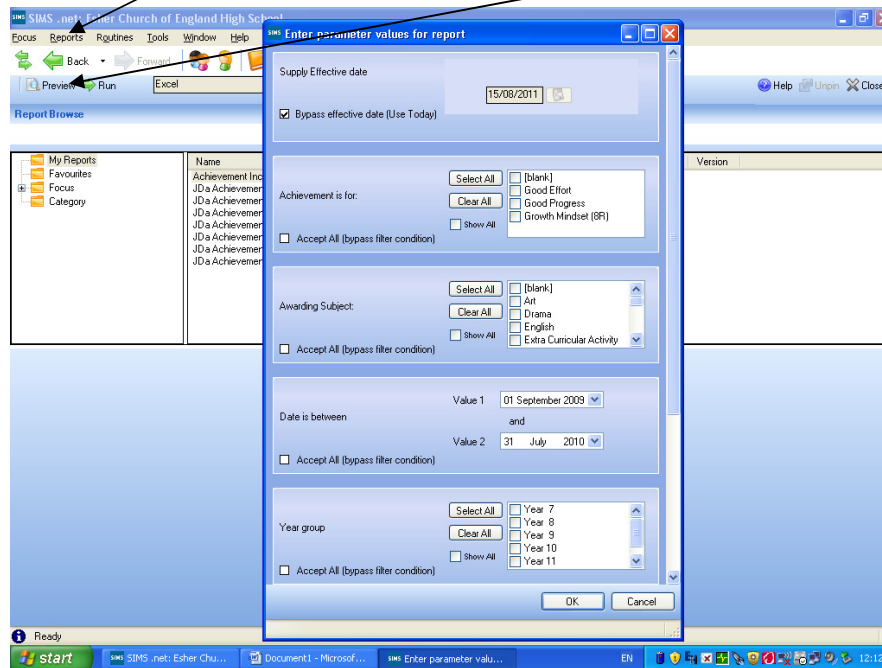

To add detail to an achievement point click Focus > Behaviour Management > Student Behaviour then search for the student. Click on Event > Add details. The below screen will appear. At this point you may wish to send this to the student's tutor.

## Running Reports

As a tutor, HoD or HoS you may wish to see an overview of your subject, school or tutor group. To do this you should click Reports > Run report > (single click) Achievement report master > Preview (this will run the report within SIMS) > Select your values (you must tick the 'blank' option) and click OK.

Below is a report run in SIMS. It is a report of achievement across year 10 possibly run by the HoS. It is fairly self explanatory. The description column would contain any details entered by the teacher about the awarded achievement (above).
